

# God has a Bigger Plan

Jeremiah

Remember God's Guarantee in **Jesus**

- God promises to restore
- God plans to give a future & hope
- God will be ever present

Our **struggle** in a sinful & imperfect **world**

- Live well, not leave
- Serve & pray
- Watch out for "empty words" & "quick fixes"

Our **complacency** towards God & **security** in wrong things

- You don't listen & give attention
- You don't speak & live by God's word
- You will face God's judgment
